N A R R I V E	<p>On 10/10/2015 at about 1334 hours, I responded to the lobby of the Northglenn Police Department at 11701 Community Center Dr. in Northglenn, Adams County, Colorado, referencing a cold protection order violation.</p> <p>Upon arrival, I met with the reporting party, identified as Robert Enyart (01/10/1959). Robert said a couple living in Northglenn have a long history of harassing him with criminal accusations and death threats, even to the extent of operating multiple websites dedicated to Robert's destruction.</p> <p>The couple live at 865 W 97th Ave. in Northglenn. Robert identified them as Curtis Kekoa (06/06/1977) and Danielle Kekoa (04/05/1979). Robert said Curtis and Danielle have six children.</p> <p>Robert provided some background information regarding his involvements with the Kekoa's. Robert is the pastor of Denver Bible Church at 9968 Appletree Pl. in Thornton, Colorado. Robert said the Kekoa's were members of the church several years ago, and their family used to be very good friends with other members of the church.</p>

Officer's Narrative (continued)

During the time that medicinal marijuana was becoming legalized in Colorado, Robert said Curtis and Danielle began pushing for marijuana to be accepted within the church. The Kekoa's pushed the marijuana agenda with a very confrontational and nearly-radical approach, to the point where it began affecting the peaceful operations within the church. Staff at the church agreed that the Kekoa's needed to be presented with an ultimatum; that the marijuana agenda needed to stop, or the Kekoa's needed to remove themselves from the church membership.

Robert said the Kekoa's left the church before being confronted by staff. However, the Kekoa's were extremely upset about the marijuana issue. At about the same time that the Kekoa's left the church, the Kekoa's began publishing odd messages online about Robert.

Since then, the Kekoa's have begun operating websites directly stating that Robert murdered Jon Benet Ramsey, and stating that he was involved in the deaths of Dylan Redwine and Jessica Ridgeway. Robert's social security number and address were published blatantly online in numerous places, along with statements encouraging others to "bring [Robert] to justice". Curtis also physically responded to Robert's home at one point with a picket-sign.

Due to the threatening nature of the Kekoa's actions and rhetoric, Robert sought and received two permanent restraining orders; one against Curtis and one against Danielle.

Both orders were issued by the Adams County Court on 01/09/2015, and they do not expire. The orders were served on 01/09/2015. The orders restrain Curtis and Danielle from assaulting, threatening, abusing, harassing, following, interfering, or stalking the protected persons. The orders also restrain Curtis and Danielle from making any communication with the protected person including but not limited to, personal, written, or telephone contact, or their employers, employees or fellow workers, or others with whom communication would be likely to cause annoyance or alarm the victim.

Copies of the original orders were presented by Robert, and the orders also restrain communication through third party contact. The applicable docket numbers are C0012014C 002172 (Curtis) and C0012014C 002172 (Danielle). The copies were later added to the case file.

Ever since the orders were signed and served in January of this year, the Kekoa's rhetoric has toned down.

However, Robert said an incident between police and the Kekoa's at the end of August of this year has caused the Kekoa's to again begin publishing harassing and threatening information about him on the internet. Robert said the Kekoa's recently posted a video on YouTube that shows me (Officer Burke) speaking with Curtis in the lobby of the Northglenn Police Department. The same video goes on to record an altercation between Curtis, Danielle, and the Northglenn Code Enforcement team. Robert said the video contains links to various websites operated by the Kekoa's, and these websites contain information intended to encourage others to harm Robert and his family. Robert provided me with screenshots of various messages on the Kekoa's websites. The messages were originally posted on dates prior to the day the protection orders were signed; however, the messages were still accessible on websites that were directly linked to the video recorded by the Kekoa's and posted on YouTube on 09/20/2015.

I collected the material from Robert, and I later attached it to the case file. Robert asked for officers to investigate whether or not the hateful threats still being promoted by the Kekoa's constitute a violation of the protection orders, as Robert is fearful that his family is in danger. I told Robert that the matter would be investigated, as it appears the Kekoa's may be using online messages to encourage third parties to commit crimes against Robert and his family. Robert then left the police department.

Officer's Narrative (continued)

I remembered a recent incident involving Curtis at the Northglenn Police Department, during which Curtis' daughter was recording the entire time. Please refer to Northglenn case report 15CN15005896 for more information regarding that incident. That incident occurred on 08/31/2015.

Since Curtis' incident in the lobby, a video containing a brief excerpt of the lobby conversation with me was posted on YouTube, with the vast majority of the video containing an altercation between Curtis, Danielle, and the Northglenn Code Enforcement Team. The video was posted on 09/20/2015 by a user named "ChessVersusCheckers". In the YouTube video, Curtis claims that he and his family are being harassed by the code enforcement officers. A link to a website is embedded in the video at the bottom of the screen. The link is for a website labeled "PoliceRecordingsKekoas.com".

The video was clearly recorded by Curtis and Danielle, whether directly by them or by use of their children. However, the username under which the video was posted (the "ChessVersusCheckers") also appeared familiar to me. I then found a saved e-mail, which was sent to me by Danielle on 09/23/2013, when Danielle was trying to convince me of Robert Enyart's guilt. The e-mail was sent by danikekoa@gmail.com. The e-mail read as follows:

BEGIN E-MAIL

*ATTENTION Officer Burke - here is a copy of what I sent your department last Sunday before you came to our house on false harassment charges. These are the same criminals who have been targeting our family and trying to take our kids for two years now:

The 2X convicted child-abuser and "pastor" of Denver Bible Church in Arvada, CO Robert Adolph Enyart (DOB 1-10-59) & his co-conspirator Kimberly Kay Bowman (DOB 10-26-64) are using fake troll IDs to run pages on Facebook in an effort to put out disinfo and mislead the investigations in finding missing children. The FBI and ten jurisdictions across CO, including LaPlata County, Boulder, Westminster and Northglenn have all known about these criminal suspects since Oct 2012 - (We have recordings of everything to prove it if you're interested) - Yet none of our tips have been followed up on and more children are showing up missing and dead. Please review the following and add it to your file and feel free to contact me with any further questions: Danielle Kekoa

END E-MAIL

In the e-mail, Danielle clearly expressed her dislike for Robert Enyart, but she also referred to the YouTube username "ChessVersusCheckers", under which the Kekoa's YouTube videos are posted. The e-mail also contains a link to a still-active website called www.BobEnyartMurderedJonBenetRamsey.com. Additionally, two other e-mails sent from Danielle to me on 10/13/2013 contain numerous links to the "PoliceRecordingsKekoas.com" website. The links consist of various recordings between the Kekoa's and other law enforcement entities. Additionally, another e-mail directly linking the Kekoa's with the "ChessVersusCheckers" username was also sent to me on 11/12/2013. The e-mail was sent from chessversuscheckers@gmail.com. The e-mail contains the same type of links to the PoliceRecordingsKekoas.com website as in Danielle's previously mentioned e-mails. However, the bottom of the "chessversuscheckers@gmail.com" e-mail reads, "Posted By The Kekoa's to POLICE RECORDINGS with the KEKOAS at 6/24/2013 11:18:00 AM".

I printed the above-mentioned e-mails and attached them to the case file.

I then visited the "PoliceRecordingsKekoas" website using a department computer on 10/18/2015. The very front page of the site contained the name "Robert Adolph Enyart" along the right side of the page, along with Robert's date of birth, social security number, and FBI identification number.

Officer's Narrative (continued)

Additionally, the name of the "www.BobEnyartMurderedJonBenetRamsey.com" website was again displayed on the front of the screen.

As the page scrolls down, a recent posting dated for 10/17/2015 at 2:22AM by an author named "The Kekoas" is immediately listed. The listing contains paragraphs that read:

BEGIN LISTING

SEATTLE FBI ALERTED ABOUT SERIAL-KILLER IN COLORADO: ROBERT ADOLPH ENYART FBI#678532LA7 WHO WANTS TO "BREAK THE RECORD FOR THE MOST VICTIMS"-PLUS LISTEN TO TWO FBI RECORDINGS REMOVED
PRESS RELEASE: JonBenet Ramsey's killer, Bob Enyart boasts in email saying, "He may be a serial killer but he is OUR serial killer. Do you think he can break the record for the most victims? Go, Bob Go!"
FBI ALERTED FOR THE THIRD TIME IN THREE YEARS---STILL WAITING!!!

END LISTING

The posting then goes on to speak of how serial-killer Bob Enyart has been reported to the Seattle Police. Additionally, several links to the YouTube video with Curtis and me are found on the site.

The website also includes a photograph of Robert, with the term "Lil` Hitler" written above his head. On the same image, Robert's birthdate, FBI identification number, social security number, Colorado driver's license number, various personal e-mail addresses, and contact phone numbers are listed. A message on the image asks for people to "contact this unrepentant child-killer". Another message on the image says, "Help us bring this `pro-life` murdering `pastor` to justice!". The posted date of this image was not listed, but the image was still available to be viewed using the link listed at the bottom of the Kekoas's YouTube video posted on 09/20/2015.

I then visited the "www.BobEnyartMurderedJonBenetRamsey.com" website using a department computer on 10/31/2015. The very front image of the website contains an image of Robert, again with the term "Lil` Hitler" written above his head. Robert's social security number and date of birth are prominently displayed on the screen. Above the image of Robert are the words "satanic `shot-caller`". Another image along the right side of the webpage contains a picture of Robert's face, with a message coming from his mouth stating, "OOPS! I've been caught like a goddamned bitch!" Additionally, above Robert's face are the words, "ABORT BOB ENYART!!!" The same image again lists Robert's social security number and birthdate, along with another listing of the "policerecordingskekoas.com" web title.

The threatening and disturbing comments and images on the websites were originally posted prior to the date the protection orders were issued and served. However, as of this investigation, the websites and the hateful rhetoric aimed at Robert are still accessible. Additionally, the websites containing these images and Robert's personal information are still being promoted using videos such as the one posted by "ChessVersusCheckers" on 09/20/2015. The information is still widely accessible to anyone using the internet, and the threatening and harassing messages from the Kekoas are still being broadcast.

I took digital photographs of the various images accessed on the websites over the course of the investigation, and the images were later added to the case report as evidence.

Officer's Narrative (continued)

As of this time, I believe I have probable cause to believe that both Curtis and Danielle Kekoa, having been served with the contents of the protection orders as detailed above, have knowingly violated the conditions of the protection orders by promoting harassing and threatening messages about the protected party, with the intent of those messages being to encourage third parties, "with whom communication would be likely to cause annoyance or alarm the victim," to commit crimes against Robert.
