Greg Testa
Chief of Police
Boulder Police Department

Chief Testa,

I am an investigative journalist and author and contact you today with information about the murder of JonBenet Ramsey.

Attached you will find six screenshots that show a Barnes and Noble ad for a book entitled "Two is Too Young To Die". The book has since been removed from the Web. The published sample of the book appears to contain a blatant confession from the very person that participated in JonBenet's murder and development of the ransom note with Patsy Ramsey.

You will note that under the online section that reads 'Meet the Author' the murderer taunts law enforcement saying "Catch me if you can. Many have tried; all have failed".

Sources and evidence tell me this book was authored by a man named **Robert Adolph Enyart** of Colorado. Mr. Enyart is a pastor under investigation by the Denver FBI regarding domestic terrorism activities that include targeting Planned Parenthood facilities and doctors for violence.

The Denver FBI task force interviewed Danielle Kekoa, Northglenn, Colorado seeking information about Robert Enyart's church (Denver Bible Church) which is suspected of being a front for domestic terrorism activities. The author of Two is Too Young To Die directly threatened Danielle Kekoa (threat below).

Dani Kekoa, you better learn with whom you're fucking. /222/ knows everything you do, we see everything you do. We can take many forms. The clock is ticking and your time is running out, bitch. We are pedophiles and murderers. This is our creation for all our fellow pedophiles out in cyberspace. We specialize in killing the two-year-old little girls. We know our time is running out. This is the path we have devised to seal our immortality in the world of internet child pornography. We are the /222/ cult at Masterchan.org. You may not like that we kill two-year-old toddlers for our bussiness, but you are going

to learn damn good and well to respect us.

I have reviewed most every television documentary, as well as every press release from your office, regarding the Ramsey murder. I have never once heard John Ramsey, Dr. Phil, news reporters, or you, ever mention this confession.

On behalf of the American public I am requesting you investigate this confession into the murder of JonBenet Ramsey.

Respectfully yours,
